11. Transition periods
12. Health and safety
13. Staffing
14. Monitoring and review

Statement of intent

At Twiss Green Community Primary School, we greatly value the importance of the EYFS in providing a secure foundation for future learning and development and understand our responsibilities in ensuring that children learn and develop well and are kept healthy and safe.

This policy has been developed in conjunction with the relevant guidance and legislation to ensure that each child has a happy and positive start to their school life in which they can build a foundation for a love of learning.

Through the implementation of this policy we will provide:

- Quality and consistency, so that every child makes good progress and no child gets left behind.
- A secure foundation through learning and development opportunities which are planned around the needs and interests of each child and are assessed and reviewed regularly.
- Partnership working between practitioners and parents.
- Equality of opportunity and anti-discriminatory practice, ensuring that every child is included and supported.

1. Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- Childcare Act 2006
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- DfE (2021) 'Statutory framework for the early years foundation stage'
- DfE (2021) 'Early years foundation stage profile: 2023 handbook'
- DfE (2021) 'Development Matters'
- DfE (2023) 'Keeping children safe in education 2023'
- DfE (2018) 'Working Together to Safeguard Children'
- DfE (2015) 'The Prevent duty'
- Early Education (2021) 'Birth to 5 Matters'
- UK Council for Internet Safety (2020) 'Education for a Connected World'

This policy operates in conjunction with the following school policies:

- Child Protection and Safeguarding Policy
- Allegations of Abuse Against Staff Policy
- Complaints Procedures Policy
- Special Educational Needs and Disabilities (SEND) Policy
- Online Safety Policy
- Administering Medication Policy
- Health and Safety Policy
- Safer Recruitment Policy
- Data Protection Policy

This policy also operates in conjunction with curriculum overviews set out by subject leaders at Twiss Green Community Primary School.

2. Roles and responsibilities

The governing board will be responsible for:

- Ensuring the school has clarity of vision, ethos and strategic direction.
- Ensuring that there are appropriate policies, procedures, and practices in place to deliver the 'Statutory framework for the early years foundation stage' in line with statutory requirements.

The headteacher will be responsible for:

- Acting in accordance with the 'Headteachers' standards' and the expectations of the school community.
- Creating a culture where children experience a positive and enriching school life.
- Upholding ambitious educational standards which prepare children from all backgrounds for their next phase of education and life.
- Ensuring teaching is underpinned by high levels of subject expertise and approaches which respect the distinct nature of subject disciplines or specialist domains.
- Ensuring valid, reliable and proportionate approaches are used when assessing children's knowledge and understanding of the curriculum, and ensuring effective use is made of formative assessment.
- Understanding and acting within the statutory assessment frameworks which set out the duties, responsibilities and reporting arrangements to be followed.
- Ensuring all relevant staff read and implement this policy.
- Ensuring that staff have received the appropriate training to deliver and report EYFS assessments.
- Ensuring parents are informed about their child's progress, development and targets, and are aware of relevant early years policies, practices and procedures.

The EYFS lead will be responsible for:

- Ensuring all staff members read and implement this policy.

- Ensuring that all staff are up-to-date with current statutory and Ofsted expectations, including the early years team and the SLT.
- Supporting the policies, ethos and vision of the school and actively promoting high levels of achievement in the early years stage.
- Leading the early years team in the planning and delivery of a creative and stimulating curriculum based on the educational programmes of the 'Statutory framework for the early years foundation stage'.
- Ensuring the educational provision and practice is based on the EYFS characteristics of effective teaching and learning, supports a range of learning needs and develops children's independence.
- Taking responsibility for high-quality teaching provision throughout the early years stage.
- Ensuring the requirements for the EYFS, including the arrangement of assessment, are met in line with the relevant statutory requirements.
- Monitoring the progress of children and reporting evaluated data to the headteacher.
- Developing and maintaining effective relationships with parents, colleagues, the governing board and the local community.
- Ensuring parents are informed about their child's progress, development and targets, and are aware of relevant early years policies, practices and procedures.
- Supporting staff development by identifying and/or providing regular training and CPD opportunities.
- Providing regular 1:1 meetings with staff to support professional development.

All teaching staff will be responsible for:

- Acting in accordance with this policy at all times.
- Understanding and acting within the statutory frameworks which set out their professional duties and responsibilities.
- Ensuring they have a thorough working knowledge of:

- The DfE's current 'Statutory framework for the early years foundation stage' and the requirements therein.
- The DfE's current 'Early years foundation stage profile handbook'
- The STA's current 'Early years foundation stage assessment and reporting arrangements'.
 - Using formative and summative assessments to assess, monitor and report on children's progress, plan next steps and shape learning opportunities.
 - Identifying any areas of concern relating to children and their learning, development and emotional needs.

3. Aims

Through the implementation of this policy, we will aim to:

- Give each child a happy and positive start to their school life in which they can establish a solid foundation for a love of learning.
- Enable each child to develop socially, physically, intellectually and emotionally.
- Encourage children to develop independence within a secure and friendly atmosphere.
- Support children in building relationships through the development of social skills such as cooperation and sharing.
- Work alongside parents to meet each child's individual needs to ensure they reach their full potential.

Four overarching principles shape will our practice:

- Every child is a **unique child**, who is constantly learning and can be resilient, capable, confident and self-assured.
- Children learn to be strong and independent through **positive relationships**.
- Children learn and develop well in **enabling environments with teaching and support from adults**, who respond to their individual interests and needs and help them to build their learning over time. Children benefit from a strong partnership between the school and parents.

- **Learning and development** is important. Children develop and learn in different ways and at different rates.

To put these principles into practice, the school will:

- Provide a balanced curriculum which takes children's different stages of development into account.
- Promote equality of opportunity and anti-discriminatory practice.
- Work in partnership with parents.
- Plan challenging learning experiences, based on individual needs, which are informed by observation and assessment.
- Provide a safe and secure learning environment.

4. Learning and development

In partnership with parents, the school will promote the learning and development of children to ensure they learn and develop well, are kept healthy and safe and have the knowledge and skills they need to start school.

Curriculum planning

Provision and practice within the early years will be centred around the requirements of the DfE's 'Statutory framework for the early years foundation stage'.

The EYFS framework outlines seven areas of learning and development that must shape educational programmes in the early years. These are categorised as 'prime areas' and 'specific areas'.

Prime areas – defined as the areas that are particularly important for building a curiosity and enthusiasm for learning, forming relationships, and thriving:

- Communication and language
- Physical development
- Personal, social, and emotional development

Specific areas – defined as the areas through which the prime areas are strengthened and applied:

- Literacy
- Mathematics
- Understanding the world

- Expressive art and design

The school will plan and provide educational programmes that involve activities and experiences for children as set out under each of the seven areas of learning.

When planning the early years curriculum, practitioners will:

- Consider the individual needs, interests, and development of each child in their care, and use this information to plan a challenging and enjoyable experience for each child in all areas of learning and development.
- Stimulate children's interests, responding to each child's emerging needs and guiding their development through warm, positive interactions coupled with secure routines for play and learning.
- Reflect on the different rates at which children are developing and adjust their practice appropriately.

If a child's progress in any prime area gives cause for concern, practitioners will discuss this with the child's parents and agree how to support the child. Staff will also consider whether a child may have a special educational need or disability which requires specialist support.

For children whose home language is not English, practitioners will:

- Take reasonable steps to provide opportunities for children to develop and use their home language in play and learning, supporting their language development at home.
- Ensure that children have sufficient opportunities to learn and reach a good standard in English language during the EYFS, ensuring children are ready to benefit from the opportunities available to them when they begin Year 1.

In organising and implementing educational programmes, the school will ensure that a broad range of activities and experiences are planned, having regard to the three characteristics of effective teaching and learning in the EYFS:

- Playing and exploring
- Active learning
- Creating and thinking critically

All staff members will have due regard to the learning and development requirements as set out in the school's Early Years Teaching and Learning Policy.

5. Assessment

Assessment plays an important part in helping the school to recognise children's progress, understand their needs, plan activities, and assess the need for support.

In line with statutory requirements, the school will undertake a summative assessment of each child's development at certain stages. These are:

- Progress check at age two – a short written summary of children's development in the prime areas.
- Reception Baseline Assessment – a short assessment which is taken within the first six weeks of a child starting Reception, regardless of what time of the year this occurs.
- The EYFS Profile – a comprehensive assessment completed at the end of the EYFS to provide a well-rounded picture of a child's knowledge, understanding and abilities, attainment against the early learning goals (ELGs), and their readiness for Year 1.

Ongoing formative assessments will be used to assess the day-to-day learning and development of children in the EYFS. Practitioners will interact and observe children to understand their interests and learning needs and will use this information to inform practice and provision for each child.

Parents will be kept up-to-date with their child's progress and development, and the EYFS lead will address any learning and development needs in partnership with parents.

The school will ensure that teachers actively engage children, their parents and other adults who have significant interaction with specific children in the assessment processes to provide a well-rounded picture of their development and attainment.

When undertaking assessment activities, all staff members will have due regard for any advice from the LA, and the 'Early Years Foundation Stage Profile Handbook' and the 'Assessment and Reporting Arrangements' (ARA) for that year.

6. Inclusion

All children will be valued as individuals irrespective of their ethnicity, culture, religion, home language, background, ability or gender and will ensure the needs of all children are met, regardless of any protected characteristics they have.

The Special Educational Needs and Disabilities (SEND) Policy will ensure all children receive the support they need and are given the best learning experience possible. SEND in the EYFS setting will be monitored and managed by the school's SENCO.

The EYFS curriculum will be planned in order to meet the needs of the individual child and support them at their own pace.

7. The learning environment

The school recognises that the physical and emotional environment play an important role in supporting, enabling, and extending pupils' learning and development.

The school will provide a safe and stimulating environment that values active learning, exploration, and play, where children feel free to create, make links and develop critical thinking skills.

Early years practitioners will ensure that learning environments are well-organised and suitable for group, individual and whole class learning, with interactive displays and easily accessible resources utilised to encourage independence.

At all times, children will have access to indoor and outdoor learning environments. Staff will plan provision to ensure that there are a range of learning opportunities available, and that the learning opportunities available in the outdoor environment build on and develop those inside.

Independent learning will be encouraged through planned continuous provision where children can make their own selection from a variety of resourced areas.

Staff will support children to navigate and access the learning environment, intervening and interacting where necessary to ensure that all learning opportunities and teaching moments are captured and capitalised upon.

Appropriate and stimulating educational visits and visitors, from both within and outside of the local community, will be arranged to further expand children's learning experiences.

8. Safeguarding and welfare

The school will take all necessary steps to keep children safe and well and comply with the requirements of the 'Statutory framework for the early years foundation stage' to:

- Safeguard children.
- Ensure the suitability of adults who have contact with children.
- Promote good health.
- Manage behaviour.
- Maintain records, policies, and procedures.

Child protection

Staff will be alert to any issues of concern in the child's life at home or elsewhere. Any safeguarding or welfare issues will be dealt with in line with the Child Protection and Safeguarding Policy, and all members of staff in the EYFS will be required to read this policy as part of their induction training.

The DSL is Natalie Hughes. The deputy DSLs are Lynsey Kelly and Susan Puckey.

The DSL will be responsible for safeguarding children and liaising with local children's services as appropriate. The deputy DSL will undertake the duties of the DSL in their absence, but overall responsibility for safeguarding will remain with the DSL. The DSL and deputy DSL will undertake child protection training as required.

Staff will receive safeguarding training that enables them to understand the safeguarding policy and procedures, have up-to-date knowledge of safeguarding issues, and recognise signs of potential abuse and neglect.

The school will inform Ofsted of any allegations of serious harm or abuse of children by any person living, working, or looking after children at the premises.

9. Parental involvement

We firmly believe that the EYFS cannot function without the enduring support of parents.

Parents will be invited to two parents' evenings throughout the year and will receive an end of year report. Additionally, parents will be invited into school at various points in the year to support their child with their learning. We will always work hard to ensure parents are given adequate notice if they wish to attend. Importantly, the school has an open-door policy and parents are welcome to talk to teachers at the start and end of the school day.

Parents will be asked to sign permission slips for any visits out of school, use of photographs of their child and using the internet at school.

Parents will be asked to complete admission forms, a medical form and to write a brief synopsis about their child to help the school to understand their character and personality.

10. Transition periods

The following process will be in place to ensure children's successful start to their Reception year:

- The class teacher will visit or make a phone call to each child's nursery setting before they start school in order to gather information and begin the process of building a relationship with each child before they enter Reception.
- Parents will be invited to a Reception Welcome Meeting where they will be given information about school and meet the class team.
- Children will start school on a part-time timetable for a number of days in September in order to ensure a settled and happy transition into their new classroom setting.

The following processes will be in place to ensure children's transition into Year 1 from Reception is successful.

- During the summer term, children will be introduced to their new year 1 class teacher, they will spend time visiting the Reception classroom and becoming a familiar face to the children.

- Children will have a 'Moving up' morning where they spend a morning in their new classroom with their new class teacher to get to know each other and explore their new environment.
- In the summer term, Reception and Year 1 staff will meet to discuss each child's development, needs and successful ways to support each child in order to support a smooth transition to Year 1.

11. Health and safety

The school will promote the good health of children in the EYFS, including the promotion of good oral health.

The EYFS lead will report any accident or injury involving a child to their parents on the day it occurs, and any first-aid treatment administered to a child will also be reported to their parents. The headteacher will report any serious accident whilst in the school's care to Ofsted as soon as is reasonably practicable, but within 14 days of the incident occurring. Local child protection agencies will also be notified.

Only medicine prescribed to a child by a doctor, dentist, nurse or pharmacist will be administered. The school's Administering Medication Policy outlines the procedures for administering medicines.

The headteacher will notify Ofsted of any incidents of food poisoning affecting two or more children within 14 days of the incident. Information about any dietary requirements, preferences, food allergies and any special health requirements a child has will be recorded. Fresh drinking water will be always available.

Smoking will not be permitted on the school premises.

The Health and Safety Policy outlines the full health and safety policies and procedures.

The school will have a Fire Safety Policy in place.

12. Staffing

A robust Safer Recruitment Policy will be in place, which aims to ensure that members of staff employed in the EYFS are suitable.

Upon employment, all EYFS staff will receive induction training to ensure that they understand their roles and responsibilities, including information about emergency evacuation procedures, safeguarding, child protection and health and safety.

Staff will be supported to undertake the appropriate training and professional development to ensure children receive the best quality learning experience.

All members of staff who have contact with children and families will be supervised by the EYFS lead. The supervision will provide opportunities for staff to:

- Discuss any issues, particularly concerning the development or wellbeing of children, including any child protection concerns.
- Identify solutions to address issues.
- Receive coaching to improve their effectiveness.

There will be at least one member of staff who has a current paediatric first-aid (PFA) certificate on the school premises at all times, and will accompany children on any school outings.

The school will provide a staffing ratio in line with the safeguarding and welfare requirements set out in the 'Statutory framework for the early years foundation stage'. Only members of staff with level 2 English and maths qualifications will count towards the staffing ratios at level 3.

The school will adopt the following staffing ratios:

- For children in Reception classes:
 - Class sizes will be limited to 30 children per school teacher.

13. Monitoring and review

This policy will be reviewed annually by the EYFS lead, governing board and the headteacher.

Any changes made to this policy will be communicated to all relevant stakeholders.

All members of staff directly involved with the EYFS will be required to familiarise themselves with all processes and procedures outlined in this policy as part of their induction.

'Achieving, Caring and Growing Together'

The next scheduled review date for this policy is September 2024.
