Internet Safety Day

Last week, every class took part in internet safety workshops and assemblies led by OpenView Education—please ask your child what they learnt!

In addition to the children's workshops, we purchased access to OpenView's parent and carer internet safety training. Please follow the link and use the log in details below to watch the online training, which covers topics such as online games, social media and communicating online. We hope you find it useful.

Year 4 Easter Egg Appeal

As part of their RE work, Year 4 are running an Easter egg appeal for Warrington Hospital. If you would like to donate an egg, please drop it off at the school office by the 20th March. Keep an eye out for Year 4's posters around school and Facebook post to find out more information!

World Book Day

A reminder that we will be celebrating World Book Day on the 7th March and this year, our theme is 'The Magic of Books.' Children are invited to come into school on the day dressed as a character from a book that either reflects the theme of magic, or as a character from a favourite book that has made them feel that books really can be magical! Don't forget to enter our World Book Day competition—turn a potato into a book character of your choice, or to come along to Tell Tales Books book stall after school on Friday 8th March.

Year 6 Enterprise

Over the next few weeks, Year 6 will be baking a range of different cakes, biscuits etc to sell after school on Tuesdays. They will be putting the money raised towards the cost of their residential trip to London later this half term.

Please come along to pick up a treat or two straight after school on Tuesday, outside the Year 6 classroom.
