TWISS GREEN - 'a learning community where everyone matters and everyone cares.'

New Security Measures: Thank you all so much for your part in making this week's changes work. Whilst we recognise that there are a few 'teething' issues, I have received many understanding and patient comments from lots of families. I have spoken to the children in assembly about waiting safely on the pavement if they arrive early, but ideally we will all get our timings right so that you are not kept waiting.

Educational Visits:

One of the areas we pride ourselves on at Twiss Green is our commitment to educational experiences. It has been a joy to see class after class leaving the school site to head off on an adventure. So far, Year Five have visited Tatton Park for a history day, Year Six enjoyed a residential PGL and Year Three have visited the Catalyst Museum. Year Four and Year Two have visits to look forward to very soon and we will arrange some exciting visits for our youngest two classes further into the school year. Below are some photos of the children's experiences. Year Four and Five to follow next week.

Media, Internet and Video concerns:

Sadly, it is now a regular occurrence that members of staff report our children being exposed to inappropriate material. Can I please urge you to be constantly vigilant when your children are engaged in internet activity in order to protect all the children.

Survey:

Thank you so much to all those families who found time to provide us with feedback on the parental questionnaire. I will collate the information over the next week and share it with you on Friday 1st October.

Dates for this term:

At last we can begin to plan events and outings that we all value so much as a part of the children's experience at Twiss Green. These dates are provisional. If we change them we will let you know, but you will be able to start adding them to your calendars. We have changed our usual Christmas Productions to allow for smaller audiences.

Wednesday 29th September	Y4 visit to Manchester Jewish Museum
Thursday 7th October	Harvest Celebration (pupils and staff only at this stage)
