School Council

Next week, we will begin the process of electing our Class and School Council members (Year 1—Year 6) for this year by sending out information and an application for you to complete with your child if they would like to represent their class. This year our School Council will meet with Mrs Hughes to share their thoughts once every half term and will also take on responsibilities such as Rights Respecting Schools work when necessary. We can't wait to get started and hear everyone's ideas to make our school even better!

SEND Coffee Morning

Our first SEND coffee morning of the year will be on Friday 1st November at 9am. Please come and join Mrs Milward and Mrs Hughes to ask any questions you might have about our SEND provision at Twiss Green over a hot drink and a slice of cake! It is also a good opportunity to share experiences, resources and strategies with other parents and carers. We look forward to seeing you there.

Reading and Phonics Meeting

Parents and carers of children in our new Reception class are invited to attend a short meeting about what reading and phonics will look like for their child this year on Tuesday 1st October at 9am. After the meeting, family members are invited to join their child in class to take part in a phonics lesson. We hope this will provide a good overview of the children's phonics and reading journey this year and answer any questions family members may have.

Year 1 families will be invited to a similar meeting specific to Year 1 after half term—we will share the date for this soon.
