TWISS GREEN - *' a learning community where everyone matters and everyone cares.'*

Behaviour at Twiss Green:

Learning behaviour has always been a really important focus for us at Twiss Green. The children are currently working on a set of 'values' that drive our behaviour targets. They are trying to link these values to the school drivers which the adults in the school community came up with. The 'drivers' are the core motivations staff and Governors identified as part of our school intent and ethos. The children have been great at coming up with values that link closely to 'community' and 'aspiration and possibility'. We are still looking for values that link closely to enquiry, knowledge and global citizenship. Perhaps this is something that you can talk about this weekend so that they can share their ideas in Monday's assembly.

Enquiry and Knowledge

Aspiration and possibility

Community

Global Citizenship

Remote Learning:

The teachers are working really hard to provide not only the teaching in the classroom, but also a full week's learning for those children who are isolating but well enough to work. We would ask, if your children are at home, that you support them in engaging with this and that they send something via Seesaw each morning before 9:20 am so that we know they are okay and learning.

Covid update: You will probably all be aware that the guidance has changed: From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

We are delighted that our new Headteacher, Natalie Hughes, is joining us for the day next Tuesday. She is looking forward to meeting the children and staff and I am sure she will be in touch with you all soon. Mrs L Davis Chair of Governors

**TWISS GREEN - ' a learning community where everyone matters
and everyone cares.'**

Dates for this term:

We have purposefully kept this term fairly straight-forward because we thought we might have the highest Covid numbers in school. So far numbers are keeping very low at Twiss Green despite rising numbers across Warrington.

Long may it last!

Wednesday 16th March

Parents' Evening

Thursday 17th March

Parents' Evening

Headteacher's Awards:

The following pupils have earned a Headteacher's Award this week. Well done!

Amelia Year Four for Ancient Greek research homework

Alfie Year Six for writing a story 'Defence of our Galaxy'

Amelie Year Six for Reading Plus progress

Jacob Reception for a maths and memory game

Mia Year Four for excellent learning through the week
