Assessment Criteria

Year 4

- I can demonstrate the difference in sprinting and jogging techniques.
- I can explain what happens in my body when I warm up.
- I can identify when I was successful and what I need to do to improve.
- I can jump for distance with balance and control.
- I can throw with some accuracy and power to a target area.
- I show determination to improve my personal best.
- I support and encourage others to work to their best.

Year 5

- I can choose the best pace for a running event.
- I can identify good athletic performance and explain why it is good.
- I can perform a range of jumps showing some technique.
- I can show control at take-off and landing in jumping activities.
- I can take on the role of coach, official and timer when working in a group.
- I can use feedback to improve my sprinting technique.
- I persevere to achieve my personal best.
- I show accuracy and power when throwing for distance.

Year 6

- I can compete within the rules showing fair play and honesty.
- I can help others to improve their technique using key teaching points.
- I can identify my own and others' strengths and areas for development and can suggest ways to improve.
- I can perform jumps for distance using good technique.
- I can select and apply the best pace for a running event.
- I can show accuracy and good technique when throwing for distance.
- I understand that there are different areas of fitness and how this helps me in different activities.
- I use different strategies to persevere to achieve my personal best.

Teacher Glossary

Head face: The head face of the racket is the part with the strings on, it is used to hit the shuttlecock.

Chasse: A chasse step allows a player to move and cover a short distance efficiently on the court.

Baseline: The line indicating the back of the court.

Follow through: Describes the path of the racket following it's contact with the shuttle. It is an important technique of producing controlled strokes.

Defence: Playing defensively generally means hitting shots upwards and lofty as it gives players time to recover.

Forecourt: The forecourt area is the front third of the court. It is the region between the short service line and the net.

Backcourt: The backcourt area is the section around the boundary lines in the back third of the court.

Performance Ideas

Performing in front of the class can be a daunting task for some pupils. Be mindful to introduce this gradually by encouraging pupils to perform without forcing them. Performance is an important part of dance but can also be time consuming if not structured correctly.

Performing, some good ideas:

- Create an environment in which pupils feel safe to perform by teaching the audience how to be respectful.
- Help the audience to structure their feedback with positive comments first, followed by areas to improve.
- Encourage pupils to use the correct dance terminology in their feedback.
- Ways to perform: half the class to the other half, one individual to another, one pair to another, three groups at a time etc.

Teacher Glossary

Counts: A performer uses counts to stay in time with the music and / or other performers.

Action: The movement a dancer does e.g. travel, jump, kick. Level: High, medium and low.

Pathway: Designs traced in space (on the floor or in the air).

Unison: Two or more dancers performing the same movement at the same time.

Dynamics: How a movement is performed e.g. robotically, softly.

Action and reaction: One movement has an effect on another movement e.g. push/pull, up/down, forward/backward.

Space: The 'where' of movement such as levels, directions, pathways, shapes.

Formation: Where dancers are in relation to each other.

Canon: Performing the same movement, motif or phrase one after the other.

Year 6

Assessment Criteria

Year 4

- I can choose actions and dynamics to convey a character or idea.
- I can copy and remember set choreography.
- I can provide feedback using appropriate language relating to the lesson.
- I can respond imaginatively to a range of stimuli relating to character and narrative.
- I can use changes in timing and spacing to develop a dance.
- I can use counts to keep in time with others and the music.
- I can use simple movement patterns to structure dance phrases on my own, with a partner and in a group.
- I show respect for others when working as a group and watching others perform.

Year 5

- I can accurately copy and repeat set choreography.
- I can choreograph phrases individually and with others considering actions and dynamics.
- I can confidently perform different styles of dance, clearly and fluently, showing
- I can lead a group through short warm-up routines.
- I can refine the way I use actions, dynamics, relationships and space in my dance in response to a stimulus.
- I can suggest ways to improve my own and other people's work using key terminology.
- I can use counts when choreographing to stay in time with others and the music.
- I can use feedback provided to improve my work.

- I can choreograph a dance and work safely using a prop.
- I can lead a small group through a short warm-up routine.
- I can perform dances confidently and fluently with accuracy and good timing.
- I can refine the way I use actions, dynamics and relationships to represent ideas, emotions, feelings and characters.
- I can use appropriate language to evaluate and refine my own and others' work.
- I can use feedback provided to improve the quality of my work.
- I can work creatively and imaginatively on my own, with a partner and in a group to choreograph and structure dances.

Structure: The way in which a dance is ordered or organised.

Phrase: A short sequence of linked movements.

Assessment Criteria

Year 5

- I can accurately copy and repeat set choreography.
- I can choreograph phrases individually and with others considering actions and dynamics.
- I can confidently perform different styles of dance, clearly and fluently, showing
- I can lead a group through short warm-up routines.
- I can refine the way I use actions, dynamics, relationships and space in my dance in response to a stimulus.
- I can suggest ways to improve my own and other people's work using key terminology.
- I can use counts when choreographing to stay in time with others and the music.
- I can use feedback provided to improve my work.

Year 6

- I can choreograph a dance and work safely using a prop.
- I can lead a small group through a short warm-up routine.
- I can perform dances confidently and fluently with accuracy and good timing.
- I can refine the way I use actions, dynamics and relationships to represent ideas, emotions, feelings and characters.
- I can use appropriate language to evaluate and refine my own and others' work.
- I can use feedback provided to improve the quality of my work.
- I can work creatively and imaginatively on my own, with a partner and in a group to choreograph and structure dances.

KS3 PE NC Subject Content

- Build on and embed the physical development and skills learnt in Key Stages 1 and 2.
- Become more competent, confident and expert in their techniques.
- Understand what makes a performance effective.
- Develop confidence and interest to get involved in exercise, sports and activities out of school and in later life.
- Understand and apply the long term health benefits of physical activity.

Progression of Skills Ladder

Actions

Show controlled movements which express emotion and feeling.

Dynamics

Explore, improvise and combine movement dynamics to express ideas fluently, effectively on their own, with a partner or in a small group.

Year

Space and Relationships

Use a variety of basic compositional principles when creating their own dances.

Performance

Demonstrate a clear understanding of timing in relation to the music and other dancers throughout their performance.

Actions

Choreograph planned dances by using, adapting and developing actions and steps from different dance styles.

Dynamics

Confidently use dynamics to express different dance styles.

Year

Use direction and patterning to express different

dance styles.

Space

Relationships

Confidently use formations, canon and unison to express a dance idea.

Performance

Perform dances
expressively, using a
range of performance
skills, showing
accuracy and fluency.

Putt: A putt is a short shot played when the ball is on the green (near the hole).

Chipping: Aim of chipping in golf is to carry the ball onto or as close to the green (where the hole is) as possible. Chipping also allows the ball to roll towards the hole. It's a shot that should roll further than it flies.

Drive: A drive focuses on sending the ball a long distance to get the ball closer to the green.

Tee: A tee is normally used for the first stroke of each hole. Players hit the ball from something called a tee.

Why OAA?

Team building games are a great tool for helping your pupils learn to work together, listen carefully, communicate clearly, and think creatively. They also give your pupils the chance to get to know each other, build trust as a class and develop vital life skills.

Top tips for teaching Team Building:

- Encourage your class to think independently whilst working collaboratively.
- Mix up who the children work with. Working with children whom they have different relationships with allows them to develop a new set of social skills.
- Build on the learning in the lessons by identifying when these positive behaviours are used in different situations throughout the school day.

Teacher Glossary

Orientate: To find your location in relation to a map.

Control: Is what the pupils are looking for and are referenced on a map.

Course: The route chosen for the controls which need to be visited in order.

Symbol: A sign, shape or object representative of different features on a map. E.g. a triangle for a mountain.

Strategy: A plan of action to complete a set task or challenge.

Assessment Criteria

Year 4

- I can accurately follow and give instructions.
- I can confidently communicate ideas and listen to others.
- I can identify key symbols on a map and use a key to help navigate around a grid.
- I can plan and apply strategies to solve problems.

- Half a rounder for two consecutive 'no balls' from the bowler.
- Half a rounder for obstruction. E.g. if a fielder is standing in the path of a batter

A player is out if:

- Caught out: by a fielder before the ball touches the floor.
- Stumped out: by a fielder at the base the batter is running to.
- Run out: meaning the batter has run to a base where another batter is standing.
- Running inside the bases.

Knowledge Organiser: Swimming Intermediate Year 5 and Year 6

Links to the PE National Curriculum

All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres.
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke].
- perform safe self-rescue in different water-based situations.

Top Tips for Teachers

- Use the time you have travelling to and from the pool to discuss water safety. Find resources from Swim England in the resource bank to support this.
- It is recommended that all pupils wear swimming hats. Goggles are recommended for KS2.
- Have a range of buoyancy equipment available for less confident swimmers such as arm discs, swim belts and noodles.
- The Get Set 4 PE swimming plans are written for group sizes of 12. These can be taught for more or less pupils but you will need to be mindful of the equipment required and ratios of adults to pupils.
- The Year 1/2 SOW is written for beginner swimmers, the Y3/4 SOW is written for developing swimmers and the Y5/6 SOW is written for intermediate swimmers.
- When selecting lesson plans to teach, consider the level of your swimmers not necessarily the age.
- Always check the safety and pool guidelines of the facility you use before teaching.

Teacher Glossary

Dolphin kick: A dolphin kick is usually used for the butterfly stroke. Created by whipping motion with the legs.

Body roll: When a swimmer rotates their body from side to side.

Glide: When a swimmer coasts with a pause in their stroke.

Stroke: A style of swimming. There are four competitive strokes: butterfly, backstroke, breaststroke, freestyle.

Flutter kick: A kick used in crawl and backstroke in which the legs are extended straight back and alternately moved up and down with a slight bend in the knee on the upward movement.

Sculling: Using quick movements of the hands to keep the head above the water. Sculling can be done head first or feet first.

Treading water: A survival technique used to keep the head above the water.

Assessment Criteria

Year 3 and Year 4

All KS2 Swimming works towards achieving the same assessment criteria as that which is set out in the National Curriculum.

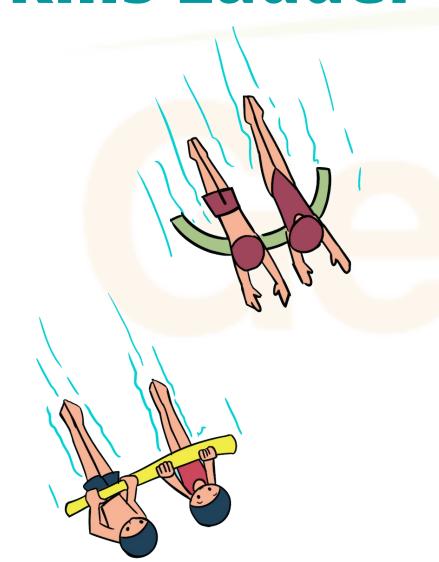

Year 5 and Year 6

Key Rules

- **Tag:** Only the ball carrier may be 'tagged'. A tagged player has 3 steps or 3 seconds to pass the ball.
- **Offside rule:** When a tag is made, all defending players must get to an onside position. Onside is in front of the ball carrier, offside is behind the ball carrier.
- **Try:** To score, the ball must be placed down under control over the try line, this is called a try.
- **Forward pass:** Forward passes are not allowed and will be penalised by a free pass being given to the non-offending team. A forward pass is any pass where the ball travels in the direction of the teams scoring line (try line).

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement.

• Pupils should be taught to develop flexibility, strength, technique, control and balance.

Top Tips for Teachers

- Repetition helps to reinforce learning. Repeat poses to allow the children to build on their yoga practise.
- Children will find it hard to concentrate for long periods of time. Mix up your teaching and know that children will be able to remain focused for different lengths of time and that that is ok.
- Keep safety in mind and ensure children work at a level they feel comfortable with.
- Use the word "try" so that the children learn to appreciate the process rather than the result.
