TWISS GREEN

Achieving, Caring and Growing Together

SENCO

We are delighted to share the news that we have appointed Mrs Milward to our senior leadership team as our new SENCO! We have no doubt that Mrs Milward's passion and dedication to supporting the needs of every child will make her an excellent SENCO and will help to drive forward our work to make sure that every child receives the very best provision possible.

Mrs Milward will begin her role as SENCO after Easter and once settled in her new position, will want to meet with parents/carers of children on our SEN register and seek the wider views of all family members on the next steps for special educational needs at Twiss Green. She will be in touch in due course. In the meantime, please do continue to get in touch via our SENCO email address, senco@twissgreen.net, with any questions or concerns.

Mrs Knowles, our seconded SENCO, will be in school for the last time next week. We would like to say a big thank you to her for all of her help and support whilst we have been without our own SENCO and would also like to thank Grappenhall Heys Primary School for releasing Mrs Knowles each week over the past few months.

Coffee Afternoon with ADDvanced Solutions

On Thursday 27th March, family members are welcome to join us at 2pm for a coffee afternoon with ADDvanced Solutions. This is an opportunity to find out a little more about what ADDvanced Solutions can offer for neurodiverse children (pre, during and post diagnosis) and their families and to be signposted towards advice or support. Please see below for more information about ADDvanced Solutions:

ADDvanced Solutions Community Network encourages, supports and empowers the families of neurodiverse children and young people, who may also have specific learning difficulties or associated mental health needs. <https://www.addvancedsolutions.co.uk/home.html>

Thursday 28th March

Dress down day for OPAL

Thursday 28th March

School closes for Easter at 2.30pm

Monday 15th April

School opens for the summer term

Science Fair

It has been lovely to see the children share their science projects at our Science Fair today. They have all worked very hard and have produced some really creative pieces of work to showcase their scientific knowledge. They were very proud to share their work with their friends as well as children from other classes. Some of our governors also attended the fair and enjoyed seeing the amazing projects the children had created. We will display the children's projects in the hall during parents' evenings next week for all to enjoy!
